This release marks the return of JUST BANKS, who joined forces with New Jersey's finest SHANE FONTANE to deliver a worthy successor to his last EP "Bust A Move".

The original mix of "Dirty" is a full vocal uptempo party breaks monster with that extra funky twist and a compelling vibe the crowd cannot resist.

The punchy electro mix delivers razor-sharp sounds and an infectious groove guaranteed to rock every electro-house DJ set. Once again FONTANE's vocals complement the music perfectly and heat up the party vibe even more!

The MIKE RIGLER remix is a perfect example of what a proper electro breaks banger should sound like. The superb wobble bass action and blasting drums will rip every dancefloor into pieces.

Just Banks is back and he is louder than ever!
